If you have time on Monday I'd like to give you an update on the Op and the intent with the deployment of the detailers. If you concur I'll plan to set up a telecon and then if we need to meet up again at the end of the week we can do that as well and then continue going forward throughout the caravan ordeal.

As I stated on the phone, I want to keep you informed and hear any concerns/recommendations.

Thanks,

b. Outcome of initial screenings (DHS)

- Outcomes of screenings are not yet available, as USCIS will begin interviews on November 19, 2018 and will continue throughout the week.

II. Operational Readiness at the Border (5 mins)

- To date, DOD has deployed (b) (7)(E) Title 10 personnel to the border in support of CBP's Operation Secure Line.
- To date, the Army Corps of Engineers has installed (b) (7)(E) of concertina wire at ports of entry in the CA, AZ, and TX Corridors.
- With regards to Ports of Entry (POE) hardening, (b) (7)(E) POEs (b) (7)(E) are complete while (b) (7)(E) POEs (b) (7)(E) are still in progress and (b) (7)(E) POEs (b) (7)(E) are also in progress.
- Texas: Efforts were focused on POE hardening at (b) (7)(E). Work will begin at (b) (7)(E) tomorrow. Updated report (b) (7)(E) are not partially closed by CBP. (b) (7)(E) requires additional barrier material to be complete.
- California: Work continued at (b) (7)(E) POEs. Work will continue work at (b) (7)(E) tomorrow. CBP directed continued partial closure at (b) (7)(E) though obstacles continue to be emplaced and staged.

IV. State Country Assessment (5 mins)

- When USCIS is considering a recommendation for TPS for any given country, they normally request a country assessment from State.
- The assessment essentially summarizes the conditions in country, whether tied to a natural disaster, armed conflict, or other, and whether those conditions warrant a designation, re-designation, extension, or termination of the program.

a. Overview of the product and potential use for USCIS and DOJ (State)

- NOTE: DHS will not be asked to present for this section

V. Return to Territory (5 mins)

- Note that “Return to Territory” is now to be called “Remain in Mexico” (RIM).
- The United States continues to experience a high volume of aliens presenting themselves at ports of entry (POE) on the Southwest Border or entering illegally between the POEs and being released into the interior of the United States while they wait sometimes years for a final resolution on their case. To address this critical issue, the United States Government (USG) must develop a process by which the USG avoids having to either detain or release aliens into the U.S. interior and by which a reduction in illegal immigration can be expected.
- Under Section 235(b)(2)(C) of the Immigration and Nationality Act (INA), 8 U.S.C. § 1225(b)(2)(C), the Department of Homeland Security (DHS) is authorized to require an applicant for admission who arrives via land from Mexico or Canada, and who is subject to removal proceedings under section 240 of the INA, 8 U.S.C. § 1229a, to wait in contiguous territory from which he or she arrived (Mexico or Canada) pending a removal proceeding before an immigration judge (IJ).
- DHS and our interagency partners are actively working on operational and legal mechanisms for an imminent implementation of RIM.

a. *Operational Update (DOJ)*

- NOTE: DHS will not be asked to present for this section

Merit Based (5 mins)

I. Flores Reg Update and Timeline (DHS)

- DHS and HHS published a joint proposed rule on September 7, 2018. The rule proposes to amend regulations relating to the apprehension, processing, care, custody, and release of alien juveniles.
- As of Friday, November 16, DHS and HHS have received 96,886 public comments. Docket staff continues to process and upload additional comments.
- Nearly 100,000 in public comments is unprecedented for DHS. It is the highest number of public comments that DHS has received for any single rule since the Department’s creation in 2003.

II. H-1B Lotter Reg Update (DHS, OMB)

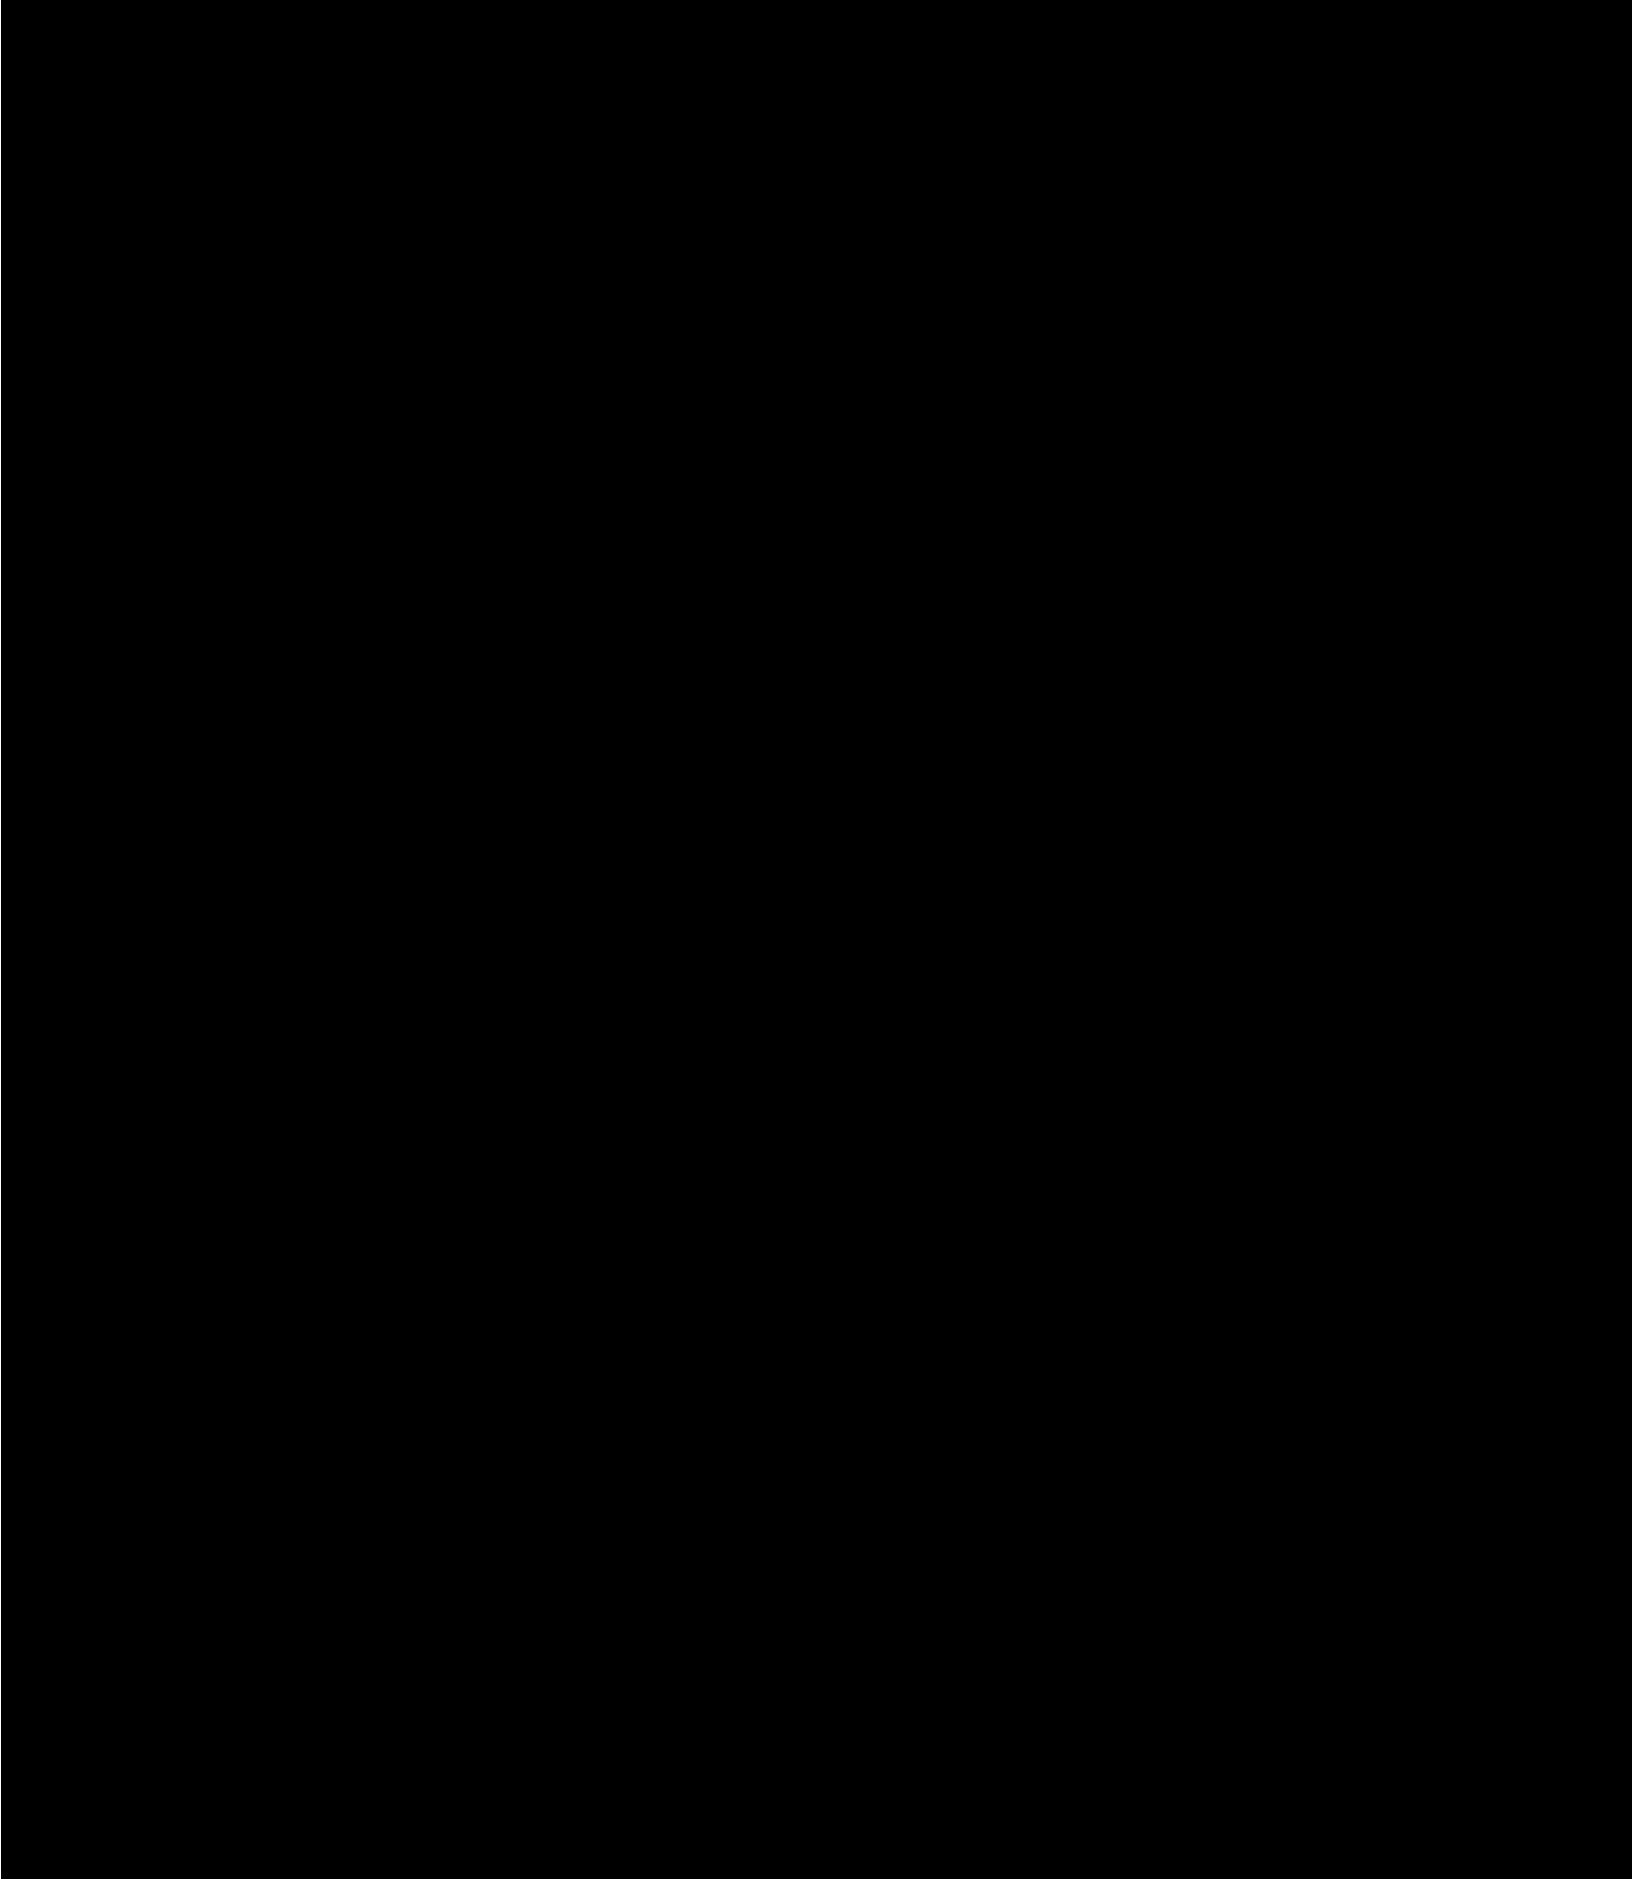

- USCIS has responded to the OMB passback and additional questions related to data, and is hoping to have OMB immediately conclude review of the NPRM.
- Once OMB clears, S1 will need to sign, and the Federal Register will have to expedite publishing of the rule in order to hit our target timelines.

-

Secretary's Waiver Authority

- The Secretary of Homeland Security may construct barriers and roads in the vicinity of the border to deter illegal crossings in areas of high illegal entry and may waive any legal requirements to ensure the expeditious construction of such barriers and roads constructed under this authority.
 - Section 102(a) of the Illegal Immigration Reform and Immigrant Responsibility Act (IIRIRA) authorizes the Secretary to construct barriers and roads in the vicinity of the border to deter illegal crossings in areas of high illegal entry.
 - Section 102(c) authorizes the Secretary to waive legal requirements to ensure the expeditious construction of such barriers and roads “under this section.”
- The § 102(c) waiver authority may be used only for border barrier construction projects conducted under DHS’s IIRIRA § 102 authority.
 - Section 102(c) limits the waiver authority only to “construction of the barriers and roads under this section.”
 - Moreover, § 102(a) provides that “[t]he Secretary of Homeland Security shall take such actions as may be necessary to install additional physical barriers and roads...” and § 102(b)(1)(A) provides that “the Secretary of Homeland Security shall construct. . . .”

WHITE HOUSE DEPUTIES IMMIGRATION CALL
November 1, 2018

TALKING POINTS:

I. Caravan Update (State) (2 mins)

- As of 10:00am, 11/01/18, there are three active migrant groups (A, C, and G) with an estimated 8,200 (+1700) that are heading to the U.S.
- **Group A**, estimated at 3,500, plans to continue traveling north after negotiations failed with Mexican officials regarding transportation to Mexico City. The caravan plans to depart early this morning, on foot, for Santa Maria Jalapa del Marques. Unconfirmed reporting states the caravan may head north to Matias Romero Avendano, which could allow the caravan another opportunity to board a train.
 - Lead caravan members report that they are in contact with Group C located further south. Best estimates now indicate Group A is expected to arrive in Mexico City sometime this weekend.
- Approximately 2,200 members of **Group C** departed Tapachula for Huixtla, while another 800 members of Group C remained behind in Tapachula. Some reports indicate Group C may attempt to merge with Group A to maximize their numbers. This is concerning to Mexican authorities given Group C's aggressive tendencies.
- **Group G**, estimated at 1,700 Salvadoran migrants, crossed into Guatemala yesterday and are headed towards the border town of Tecun Uman. The group is composed of 80 percent males and has very few unaccompanied minors.
- The Honduran National Institute for Migration (INM) reported 6,045 (+576) migrants have returned to Honduras. As of 30 Oct, 2,451 migrants have applied for asylum in Mexico.
- Mexican Navy (SEDENA), Mexican Army (SEMAR) and the INM are conducting train-check operations. (b) (7)(E) to ensure that migrants cannot use train lines to travel north. (b) (7)(E)

II. Asylum Reg/Proc Rollout (15 mins)

- Based on the 10/29/18 drafts, the USCIS Asylum Division is prepared to operationalize the 212(f) proclamation and accompanying Interim Final Rule with regard to the credible fear process.
